- Scattergram in college green light
- run by cappex but is aimed at first gen students so it's less commercial. I like how they rate the competitiveness of each scholarship so you know which have better odds of winning.

## College Board

[cb.org/opportunity](http://cb.org/opportunity)

New scholarship initiative that College Board has started. Students can become eligible for scholarships (of varying amounts) for participating in college prep activities, like making a list of schools or filling out the FAFSA. Now, to be clear, completing these activities does not mean each student will get a scholarship. However, they will become eligible for them.
